**A sincere “Thank You” to the administration, faculty and staff
 for supporting these exceptional students throughout the years.
 Your efforts have not gone unnoticed. Thanks, too, to
 the parents and guardians who have instilled in their students
 the strength of character and the value of education.**

Congratulations all NTHS members!

**National Technical
Honor Society**

The National Technical Honor Society is an educational non-profit that exists to honor, recognize and empower students and teachers in Career & Technical Education. NTHS serves over 100,000 active members annually in both secondary and postsecondary chapters across the country.

Since its founding in 1984, nearly 1 million students have become NTHS alumni. NTHS honors the achievements of top CTE students, provides close to \$300,000 in scholarships annually and strives to help connect education and industry to build a highly-skilled workforce.

The Seven Virtues

Skill is the development of a talent and expertise gained by experience.

Honesty is conducting oneself with truthfulness, trustworthiness and fairness.

Service is giving assistance and being ready and able to provide a helpful and useful act.

Responsibility is doing a duty or task that you should do because it is morally right and legally required and being accountable for your own actions.

Scholarship is the distinctive marks of one who has mastered an area of learning and is reflected in the quality of his or her work, especially with respect to scope, thoroughness and care.

Citizenship is acting in ways which benefit your community and your country.

Leadership is the ability to lead and guide others in a positive direction.
