2

Complete the short application. Submit a separate application for every student.

3

Upload, email, or fax a copy of the most recent 1040 federal tax return of the person who claimed the student on their return. The form MUST list the student and the adjusted gross income. Applications will not be processed without this information. For special circumstances, please contact your school for more information.

Dear Parent/Guardian:

You must initially purchase the items your student requires for his or her chosen program. Use the TNT Manufacturing or ChefWorks order forms to purchase uniform apparel. Purchasing items from those listed in the Shop Requirements may also be reimbursed. Just be sure to keep all your receipts.

Welcome to the EITC Scholarship Program administered by Commonwealth Charitable Management. This program provides scholarships to cover out-of-pocket expenses for eligible students.

After purchasing the necessary items for your student, go to apply.eitcnow.org and register for an account. After receiving an email to confirm your account, click on the link in the email and complete the application. Scholarship applications must be submitted online, and you must have a valid email address to apply. Upon submitting the application along with the required tax return information, the application will be sent to Western Area's Executive Director, Dr. Dennis J. McCarthy, for approval.

Upon approval and receipt of money from the fund, Western Area will issue a check to you for reimbursement of the items you purchased for your student such as uniforms, equipment, kits, tools and books.

Be aware that this process will take time. We appreciate your patience.
