Be a Champion Join SkillsUSA

Membership Registration Form

Dear Parent or Guardian,

Your Students has attended a Skills USA Informational Meeting as WACTC. This is a registration form, once this is completed the student will be able to participate and benefit from all SkillsUSA has to offer.

What is SkillsUSA?

SkillsUSA is a national nonprofit student organization that serves students enrolled in career and technical education training programs at our nation's public high schools and colleges. SkillsUSA's mission is to empower its members to become world-class workers and responsible American citizens.

SkillsUSA complements technical skills training with instruction in the employability skills that make a well-rounded worker and citizen. Founded in 1965, SkillsUSA has developed nearly 9.5 million workers through active partnerships between employers and educators.

SkillsUSA Championships

The SkillsUSA Championships is the showcase activity of the SkillsUSA organization. This annual event begins with contests in classrooms. Winners advance through district or regional events, to state competition. Only the best make it to the national event. **Students benefit no matter how they place in their contests. They test their skills, make job contacts, and have a chance for recognition. State and national winners receive gold, silver and bronze medallions, scholarships, tools and other awards.** The national championships is considered the largest single-day of corporate volunteerism in America. Visit www.skillsusa.org for a complete list of national competitions.
