

WESTERN AREA CTC UPDATE

September 16, 2022

"Just wanted to thank you so much for your hospitality on Wednesday for our Challenge Program assemblies! The kids at your school were so well behaved and attentive. They were a great group to present to! Looking forward to the upcoming school year!"

Sidney Anderson
Program Development Manager

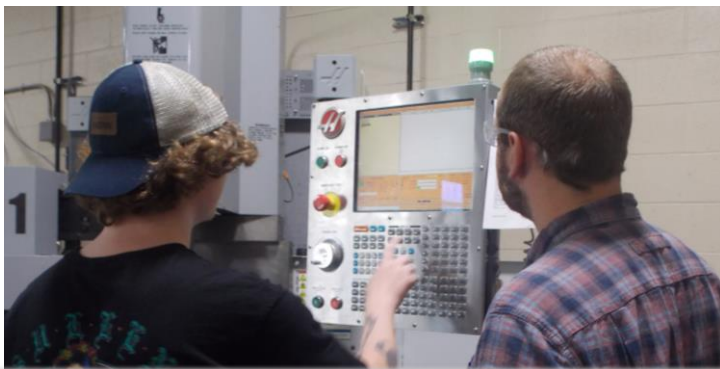

Congratulations to our Challenge Program winners!

Mr. Purtell kicked off this year's Challenge Program initiative by introducing Sidney Anderson and Myra Bernhart from The Challenge Program and Sandy Samples of Washington Financial. Each recipient pictured below received a certificate and check in the amount of \$200.

Jayden Celento (CM) Welding, Academic Improvement; Manni Juarez (CH) Electrical Occupations, Academic Improvement; Amanda Miller (CH), Health Assistant, STEM; Jaxsen Settles (CM) Automation & Robotics Engineering, STEM; Justin McElroy (B) Masonry, Academic Excellence; Chelsea Patrick (W) Collision Repair, Community Service; Tyler Reeder (CM) Emergency & Protective Services, Community Service; and Kaileigh Walton (CH) Carpentry, Academic Excellence. A sincere "Thank You" to Washington Financial Bank, The Challenge Program staff, our students and parents, and the Western Area instructional and support staff!

Machine Shop instructor Craig Lindley and Kaden Robinett (CM) Worked together to edit a program on the CNC mill.

HVAC instructor Rob Rossell is pictured lecturing students Kyle Bainer (W), Nick Gaito (CH), Nick Shuster (PT), Allen Leon (PT), David Rairgh (PT) and Sam Getz (CM).

SkillsUSA builds self-esteem, providing many educational experiences for students in teamwork, leadership and skills activities, citizenship, and character.

All students attended today's SkillsUSA kick-off assembly during which Allison Scaife, Skills sponsor, explained the purpose of this organization.
