

### Part Time Bus Driver Position

The Western Area Career and Technology Center is seeking part-time bus drivers for our school. Successful applicants must have an active CDL with passenger license. Almost all of our field trips depart our school at 9:15, arrive back by 2:00, and are mostly located within 45 minutes of our school, making this position perfect for someone looking for a flexible schedule! The hourly rate is \$25/hour and WACTC has our own bus. If you are interested in this position or are seeking more information, please email your resume and credentials to James Purtell - [Jpurtell@wactc.net](mailto:Jpurtell@wactc.net).
