

2025-26 WACTC Cell Phone Policy

Upon arrival, students will report to their program area and place their cell phone in their assigned cell phone holder. The cell phone holder provides a key to lock their cell phone up during class time. Students are not permitted to have their cell phones out during class time. Violations of this policy shall result in progressive disciplinary action:

- First offense - Device will be taken to the front office for the remainder of the day and may be picked up when a student is ready to leave school.
- Second offense - Device will be taken to the front office and must be picked up by a parent/guardian. During school hours.
- Third offense - Device will be taken to the front office and a meeting will be set up and may/will result in the device to be left in the front office daily and/or dismissal from WACTC and return to the student's home school district.

Parents may call the main office to reach their student. Use of cell phones for legitimate educational purposes is permitted, but only under the direction of the student's teacher and with approval from administration. Parents/Guardians are responsible for retrieving confiscated cell phones during regular school hours. Such items will be stored securely in the Main Office. Medical exemptions will occur with a physician's note, stating why the student must keep possession of the phone and for what purpose.
