DRIVING VIOLATION ATTESTATION

I certify, to the best of my knowledge, that I do not have any outstanding driving violation tickets or unpaid fines in this or any other state. Nor do I have any arrears in child support. Either of these will halt the process of getting your Pennsylvania CDL permit.

I understand that this attestation is a requirement of enrollment in the Commercial Driver's License (CDL) Training Program, and that any false statements or omissions may result in dismissal from the program and/or disqualification from pursuing CDL certification.
