Pennsylvania's ongoing revamp of the testing procedures is introducing a new computer based class / certification process. Candidates must be placed on a certified class roster AND register with the state of Pennsylvania twenty-four (24) hours prior to the start of class.

WACTC makes available, printed student study guides WITH proof of registration for all Emission Inspector candidates.

HELPFUL ATTRIBUTES & ABILITIES

Emissions inspectors receive special training to learn how to conduct emissions testing with properly calibrated and controlled equipment to get consistent and objective results.

Tuition, fees, career majors, courses and hours are subject to change without notice.

CERTIFICATION

WACTC has a long and storied history of success. The Safety Inspection Emission Inspection Certification program was developed to meet the demands of local businessmen who continuously have a need for talented craftsman. Their expertise was instrumental in creating the final product.

The Pennsylvania Safety Inspection (SIC) and Emissions Inspection Certification (EIC) are designed for automotive technicians aspiring to become PennDot certified.

COURSE HIGHLIGHTS

Automobile Inspection * Motorcycle Inspection * Heavy Truck Inspection
On-Board Diagnostics (OBD) * Tailpipe Test * Gas Cap Test * Visual
Anti-Tampering Check

THE WACTC WAY

WACTC runs 4-night 16 hour State Safety Certification and a 2 - night 8 hour State Emissions Inspection courses to give technicians the instruction needed to earn State Safety Inspection and/or State Emissions Licenses.

SAFETY and EMISSIONS CERTIFICATION FREQUENTLY ASKED QUESTIONS

**W
A
C
T
C**

Q. How long is the course?

The State Safety Certification option runs for (2) two weeks (4) four class periods. Your third week is designed for Tactile testing (by mutual appointments times). You will attend instructional classes Tuesday and Thursday from 5:00 PM to 9:00 PM.

The State Emission Certification option runs for (1) one weeks (2) two class periods. You will attend instructional classes Tuesday and Thursday from 5:00 PM to 9:00 PM. Your emission testing will be done at the conclusion of the second class session.

Q. How much does it cost?

WACTC is a non-profit institution, so we really try to keep our costs down. The State Emission certification is \$100.00 with proof of registration. The State Safety certification is \$175.00 for Car or Motorcycle. For car AND motorcycle it is \$230.00. Heavy Truck is \$195 with each additional certification \$55.00.

Q. Are there job opportunities for me when I'm finished?

The offering is specifically intended for automotive technicians aspiring to become PennDot Emission and/or Safety certified. The certifications follow the candidate and are not tied to an employer. This gives the successful graduate the opportunity to move throughout the state of Pennsylvania.
